Hi Jeanne -- I know how summer can be with kids and logistics. That's one benefit of an empty nest!

Next Thursday would work for me -- perhaps we could do a conference call, to avoid coming down to city hall, just to tee-up a couple issues. I have a breakfast and a lunch appointment -- but around that I can work. Let's see what Yolanda says.

Hi Yolanda-

Yes absolutely. I'm sorry, this week was a bit abbreviated for me-I had some limitation with childcare and ended up not going into the office.

Can we try for late next week? Thursday's are always more flexible for me. Please let me know if that works.

Thank you,
Jeanne

Dear Jeanne,

Welcome back! At the risk of being a nemesis with my couple phone calls, could you check your schedule to see when you would be available to either meet or have a phone discussion with Kerry Morrison and me?

Grateful blessings,

Yolanda
